Erratum to: Eur J Clin Pharmacol (2014) 70:453–459 DOI 10.1007/s00228-013-1631-4

We would like to bring to your attention a minor error in the article. The age of one of the patients was wrongly stated as “31” years old instead of the correct “54” years old, making following changes in the article necessary:

• Abstract, Results (page 1): correct is “58” and not “55”

• Results, Case series (page 2): correct is “ 58 ± 12 ” and not “ 55 ± 16 ”

• Table 1, column “Patient 3”, row “Age” (page 3): correct is “54” and not “31”

• Table 4, column “FAKOS”, row “Age / mean” (page 5): correct is “58” and not “55”

• Table 4, column “FAKOS”, row “Age / standard deviation” (page 5): correct is “ ± 12 ” and not “ ± 16 ”

The online version of the original article can be found at <http://dx.doi.org/10.1007/s00228-013-1631-4>.
