### Erratum to: Nat Hazards (2014) 72:895–914 DOI 10.1007/s11069-014-1044-4

On page 902–903, the sentence in the main text that crosses over both pages currently reads:

“The root mean square errors between model predictions and the estimated observed area affected were 10.29 for  $A_{3,9}$ , 25,704.24 for  $A_{9,2}$ , 1.97 for  $A_{18}$  and 0.67 for  $A_{34}$ .”

It should instead read:

“The root mean square errors between model predictions and the estimated observed area affected were 10.29 for  $A_{3,9}$ , 3.92 for  $A_{9,2}$ , 3.02 for  $A_{18}$ , and 0.68 for  $A_{34}$ .”
