Erratum to: Plant and Soil
DOI:10.1007/s11104-015-2559-5

There was a mistake in the presentation of Leaf Mass per Area (LMA) values in Figure 3. Y axis labels should be 100 times that originally presented. Please see the below figure for the correct presentation of the data. Axis values for the figure were manually entered incorrectly, while the actual values used in analyses were correct. As such, there is no change to the interpretation of these data throughout the article.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s11104-015-2559-5>
