**Correction to: International Journal of Mental Health and Addiction**  
<https://doi.org/10.1007/s11469-023-01045-7>

The word “coping” was misspelled in the article title and in the first sentence of the abstract in the article as originally published.

The original article has been corrected.

**Publisher’s Note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
