<https://doi.org/10.1007/s11657-023-01283-1>

With reference to the article “Osteoporosis management by primary care physicians in Singapore: a survey on osteoporosis guidelines utilisation and barriers to care” by Choong, D.S., Tan, N.C., Koh, Y.L.E. et al. [Arch Osteoporos 18, 72 (2023)] – please be informed that the Table headings of Table 1 and Table 2 had inadvertently been interchanged in the publication process. The correct Table headings should have appeared as shown below.

Table 1: PCPs confidence in osteoporosis management

Table 2: Demographics and practice characteristics of PCPs

The original article has been corrected.
