

## **Erratum to: Molecular Magnetic Resonance Imaging (mMRI)**

**Maxime Gauberti, Antoine P. Fournier, Denis Vivien,  
and Sara Martinez de Lizarrondo**

**Erratum to:**

**Chapter 19 in: María Luisa García-Martín and Pilar López-Larrubia (eds.),  
*Preclinical MRI: Methods and Protocols*, Methods in Molecular  
Biology, vol. 1718, [https://doi.org/10.1007/978-1-4939-7531-0\\_19](https://doi.org/10.1007/978-1-4939-7531-0_19)**

The online citation for the chapter authors had their names listed incorrectly. Here are the details:

The name (**Antoine P. FOURNIER**) was referenced as P. Fournier A. instead of **Fournier, A.P.**

The name (**Sara MARTINEZ DE LIZARRONDO**) was referenced as de Lizarrondo S.M. instead of **Martinez de Lizarrondo, S.**

These changes will be reflected in the updated book frontmatter, chapter opening page and the online book.
