The first half of this chapter, which discusses the similarities between entrepreneurs and heroes in mythology, relies heavily on Morong (1992). Accordingly, the following reference has been added to the bibliography:

Morong, C. (1992) “The Creative-Destroyers: Are Entrepreneurs Mythological Heroes?” Presented at the Western Economic Association Meetings in 1992 in San Francisco

The Author and the Publisher regret the omission of this information in the original publication.
