Correction to:

Bulletin of Environmental Contamination and Toxicology

<https://doi.org/10.1007/s00128-018-2430-5>

The original version of this article contained a mistake in Fig. 2. The country names have been missed in the figure legend along with the X-axis. The corrected figure is given below.

The original article has been corrected.

The original article can be found online at <https://doi.org/10.1007/s00128-018-2430-5>.
