Correction to: Bulletin of Earthquake Engineering
<https://doi.org/10.1007/s10518-019-00670-9>

This erratum is published due to vendor overlooked corrections related with Table 6 during proofing.

The original article has been thus corrected with the corrected references and thus updated.

The original article can be found online at <https://doi.org/10.1007/s10518-019-00670-9>.
