Correction to: Climatic Change.

<https://doi.org/10.1007/s10584-018-2259-2>

This correction stands to correct the title of the original article found to be published with the unnecessary “Concise title:” at the beginning of the title. It should be noted that the correct title should instead be, *Incipient road to extinction of a keystone herbivore in south-eastern Europe: Harting's vole (Microtus hartingi) under climate change*. This correction stands to correct the original article.

The online version of the original article can be found at <https://doi.org/10.1007/s10584-018-2259-2>
