Correction to: Read Writ (2017) 30:791–812

<https://doi.org/10.1007/s11145-016-9700-6>

The original publication of the article contained an error. In Figure 3, the y-axis label for Panel (e) should be “Saccade Velocity (degrees/sec)”; it is not “Second Fixation Duration (ms).” Below is the corrected version of Fig. 3.

The original article can be found online at <https://doi.org/10.1007/s11145-016-9700-6>.
