

MAURITIUS

University of Mauritius
School of Industrial Technology, Rediut
Tel: 541041
Investigating methods of producing fuels,
fertilizer and/or chemicals from waste
products of the sugar industry and from
bagasse in particular.

NETHERLANDS

Agricultural University
Department of Biotechnology, NL-6703 BC,
Wageningen
Tel: 08370 83339
Undertaking studies on anaerobic digestion
of farm wastes.

Agricultural University
Department of Food Science, rue de Dreyen
12, NL-6703 BC Wageningen
Tel: 08370 82888 Tlx: 45015
Carrying out studies on saccharification of
beet pulp and potato fibre using commercial
pectolytic and cellulolytic enzymes,
including studies using hollow fibre membrane
reactors. Also developing improved strains of
Jerusalem artichoke.

Agricultural University
Dept of Water Pollution Control,
De Dreyen 12, NL-6703 BC Wageningen
Investigating methane production in
agricultural and industrial waste water
treatment.

Alfa Laval NV
Postbus 341, Stroombaan 4, Amstelveen
Tel: 020435 555 Tlx: 14417
Manufacture separation and dewatering
equipment, including decanter centrifuges,
centrifugal separators and heat exchangers.
Part of Alfa Laval AB (Sweden).

Amicon BV
Mechelaarstraat 11, NL-4903 RE Oosterhout NB
Tel: 01620 56155 Tlx: 54152
Supplies ultrafiltration, microfiltration and
membrane separation equipment. Part of Amicon
Corp (US).

Applikon BV
Postbus 149-3100 AC Schiedam, De Brauwweg
13, NL-3125 AE Schiedam
Tel: 010 62 1855 Tlx: 26302
Supply a range of laboratory fermenters
suited to cell culture and continuous
fermentation with sensors for temperature,
antifoam, pH/redox, dissolved oxygen and
turbidity.

Avebe BV
Ben Oosterdiep 27, Postbus 15, NL-9640 AA
Veendam
Tel: 05987 69111 Tlx: 53047
Produce potato starch, glucose and glucose
syrops, starch derivatives and related
products for the food, pharmaceutical, paper,
textile, etc, industries, as well as animal
feed products and polyurethane raw materials.

BECE
Biomass Energy Consultants & Engineers, vd
Broekeweg 8, PO Box 498, NL-7600 Al Almelo
Tel: 0 5490 62062 Tlx: 44661
Offer mobile charcoal gasification systems
for small scale mechanical or electrical
power generation eg. irrigation, grinding of
cereals, village lighting or powering rural
industries.

BKH Consulting Engineers
Bongaerts Kuyper & Huiswaard, Abraham
Patrasstraat 5, PO Box 93224, NL-2509 AE The
Hague
Tel: 070 471414 Tlx: 32070 bkh nl
Advise on environmental technology and
toxicology.

BOA
BV Machinefabriek BOA, PO Box 212, NL-7500 AE
Enschede
Tel: 053 300300 Tlx: 44245
Supply machines to the paper processing
industry including shredders, continuous
baler presses to handle RDF and household
refuse, as well as sorting systems.

CPM Europe BV
Distelweg 89, NL-1031 HD Amsterdam
Tel: 273232 Tlx: 14422
Pelleting specialists. Manufacture
steam, liquid and automatic pellet mills.
Part of worldwide Ingersoll-Rand.

CSM Suiker BV
Postbus 349, NL-1000 AH Amsterdam
Manufacture beet sugar. Use large-scale
anaerobic digestion for clean-up of
wastewater from sugar processing.
