

## X

**XA (UK).** Abbreviation for 'ex all', meaning that a share deal has been made in which the buyer has bought the share without the right to any of the benefits currently announced, such as a DIVIDEND, RIGHTS ISSUE or SCRIP ISSUE.

**XC (UK).** Abbreviation for 'ex capitalization', meaning that a share has been sold without entitlement to participate in a recently announced capitalization or SCRIP ISSUE.

**XD (UK).** Abbreviation for 'ex dividend',

meaning that a share has been sold without the right to participate in the next DIVIDEND distribution.

**XR (UK).** Abbreviation for 'ex rights', meaning that a share has been sold without qualifying for a forthcoming RIGHTS ISSUE.

**XSP (UK).** Standing for across-centre-payment: a facility of the UK settlement system allowing a rapid countrywide delivery-against-payment service.
