Chapter 2 Perturbation-Response Approach for Biological Network Analysis

K. Selvarajoo, *Immuno Systems Biology: A macroscopic approach for immune cell signaling*, Systems Biology 3, DOI 10.1007/978-1-4614-7690-0, © Springer Science+Business Media New York 2013

DOI 10.1007/978-1-4614-7690-0_14

In the original publication of the print and online versions of this book, equation 2.7 is incorrect in chapter 2 page 21. The correct equation is given below.

$$\frac{\partial \delta X}{\partial t} = \frac{\partial F(X)}{\partial X} \delta X + \frac{\partial^2 F(X)}{\partial X^2} \delta X^2 + \dots \quad (2.7)$$
