

Correction to: A Formal Account of Epistemic Defeat

Matthew Kotzen

Correction to:
Chapter 14 in: B. Fitelson et al. (eds.), *Themes from Klein*,
Synthese Library 404,
https://doi.org/10.1007/978-3-030-04522-7_14

This chapter was unfortunately published with the following typographical errors.

- In sections 14.2 A First Stab and 14.3 A Different Approach, the term “Evidential Credence” is incorrect. It is now been corrected to “Defeated Credence”.
- On p. 225 the numerator of the UNDERCUTTING IFF DEGREE-OF-CONFIRMATION LOWERING is incorrectly published as $p(H|E \& K)/p(H|\sim E \& K)$ it has now been corrected as $p(H|E \& K)/p(\sim H|E \& K)$.
- The spacing between characters has been corrected in the equation $p(H|E \& D) < p(H|E)$ and $p(\sim H|\sim E \& D) > p(\sim H|\sim E)$ in sentence “And we’re supposing that”. The corrected equation is follows: $p(H|E \& D) < p(H|E)$ and $p(\sim H|\sim E \& D) > p(\sim H|\sim E)$.
- The equation “ $p(H|E_1) > (H|E_2)$ ” in the sentence “Presumably, any reasonable measure. . .” has been corrected as below: $p(H|E_1) > p(H|E_2)$.
- The spacing errors in the equations has been corrected in the following pages: 216, 218, 221, 225, 226, 229, 232, 233.

Above correction are now updated in Book.
