Correction to:
D. Da Silva et al. (Eds.): *Cloud Computing – CLOUD 2019*,
LNCS 11513, https://doi.org/10.1007/978-3-030-23502-4

The original version of the book was revised; the following corrections have been incorporated:

In Chapter "An Approach to Failure Prediction in Cluster by Self-Updating Cause-and-Effect Graph":

– Typographical errors throughout the chapter were corrected
– Figure 10 was replaced because it was a duplicate

– Unused references were removed
– A missing reference was added

In Chapter "Towards Decentralized Deep Learning with Differential Privacy", typographical errors were corrected to help the reader to better understand the content.
