

Correction to: Gamma Source Location Learning from Synthetic Multi-pinhole Collimator Data

Peter A. von Niederhäusern, Carlo Seppi, Simon Pezold, Guillaume Nicolas, Spyridon Gkoumas, Stephan K. Haerle, and Philippe C. Cattin

Correction to:
Chapter “Gamma Source Location Learning from Synthetic Multi-pinhole Collimator Data” in: F. Knoll et al. (Eds.): *Machine Learning for Medical Image Reconstruction*, LNCS 11905, https://doi.org/10.1007/978-3-030-33843-5_19

The original version of this chapter contained a figure (Fig. 4), which showed the internal electronics as well as the mechanical design of a device. This information should not be made available to the public. This was corrected and Figure 4 was replaced.

The updated version of this chapter can be found at https://doi.org/10.1007/978-3-030-33843-5_19
