Theodoulakis Christofi and Yiorgos Apidianakis

**Erratum to:**  
**Chapter 7 in: A.M. Vaiserman et al. (eds.),**  
***Life Extension, Healthy Ageing and Longevity 3,***  
**DOI [10.1007/978-3-319-18326-8\\_7](https://doi.org/10.1007/978-3-319-18326-8_7)**

The original version of this book was inadvertently published with an incorrect author name for chapter 7. The correct author name should be Theodoulakis Christofi.

Space has been inserted in the word ‘inflammationof’ in the sentence Inflammatory bowel disease (IBD) is a condition caused by ‘inflammationof the’ and the word now correctly read as ‘inflammation of’.
