Erratum to:
Chapter 1 in: U.P. Breuer, *Commercial Aircraft Composite Technology*, DOI [10.1007/978-3-319-31918-6_1](https://doi.org/10.1007/978-3-319-31918-6_1)

The original version of this chapter was inadvertently published with incorrect equations.

This has now been corrected as below:

$$L = G \tag{1.1}$$

$$G = m * g \tag{1.2}$$

$$L = c_L * A * \frac{\rho}{2} * v^2 \tag{1.3}$$

$$D = c_D * A * \frac{\rho}{2} * v^2 \tag{1.4}$$

$$R = \frac{v}{b_F * \frac{c_D}{c_L} * g} * \ln\left(\frac{m_0}{m_0 - m_t}\right) \tag{1.5}$$
