

Erratum to: HIV Housing Helps End Homelessness and HIV/AIDS in the United States

Julie Hilvers, Christine C. George and Arturo V. Bendixen

Erratum to:
Chapter 11 in: E.R. Wright and N. Carnes (eds.),
Understanding the HIV/AIDS Epidemic in the United States,
Social Disparities in Health and Health Care,
DOI [10.1007/978-3-319-34004-3_11](https://doi.org/10.1007/978-3-319-34004-3_11)

The book was inadvertently published with an incorrect city and country name for the author Christine C. George in Chap. 11. It should be the ‘Center for Urban Research and Learning, Loyola University, Chicago, IL, USA’ instead of Chennai, India. The erratum chapter and the book has been updated with the change.

The updated original online version for this chapter can be found at
