

Erratum to: The Differential Diagnosis of Epilepsy

S.M. Zuberi and J.D. Symonds

Erratum to:
V.P. Prasher, M. Kerr (eds.), *Epilepsy and Intellectual Disabilities*,
DOI [10.1007/978-3-319-39144-1](https://doi.org/10.1007/978-3-319-39144-1)

At the bottom of page 79 it should say

“At present the most significant genes known are *KCNQ1* (LQT1), *KCNH2* (LQT2), and *SCN5A* (LQT3).”

Instead of

“At present the most significant genes known are *KCNQ2* (LQT1), *KCNH2* (LQT2), and *SCN5A* (LQT3).”

The updated original online version for this chapter can be found at
