In Chapter 3 titled “Perennial Grasses for Sustainable European Protein Production” the affiliation details of the authors’ Drs. Jørgensen and Lærkeare are incorrect. The correct affiliation details should read as follows:

Department of Agroecology  
Aarhus University  
Blichers Allé 20, Postboks 50  
DK-8830 Tjele

The above affiliation details are also updated in chapter 13 titled “Creation and Evaluation of Novel Cold Tolerant *Miscanthus* Hybrids” and chapter 20 “Biomass Yield and N Uptake in Tall Fescue and Reed Canary Grass Depending on N and PK Fertilization on Two Marginal Sites in Denmark” and also in the contributors list in the F.M.
