

Correction to: Basal Implantology

G rard M. Scortecchi

Correction to:
G. M. Scortecchi (ed.), *Basal Implantology*,
<https://doi.org/10.1007/978-3-319-44873-2>

The original version of this book was revised to include the “Conflict of interest statement” in all chapters. The erratum to this book can be found at https://doi.org/10.1007/978-3-319-44873-2_16

Conflict of interest statement

G rard M. Scortecchi is the inventor of the Diskimplant and holder of several associated patents that are exploited by the Victory company. He is an unpaid consultant to this firm and a minority shareholder in the company. No money was received from any of the companies mentioned in the book or from any of the companies whose products are mentioned.

The updated online version of this book can be found at
