In this chapter, the author name in the fifth reference was incorrect. It should have been “Deshler” and not “Denschler”. The correct spelling in reference should be as follows:

Deshler, J., Hauk, S., & Speer, N. (2015). Professional development in teaching for mathematics graduate students. *Notices of the AMS*, 62(6), 638–643.

The original version of the chapter has also been revised.
