

Correction to: The Maize Genome

and Roberto Tuberosa

Correction to:

J. Bennetzen et al. (eds.), *The Maize Genome*, Compendium of Plant Genomes,
<https://doi.org/10.1007/978-3-319-97427-9>

The originally published version of chapter 12 (The Genetics and Genomics of Virus Resistance in Maize) and chapter 20 (Harnessing maize biodiversity) did not acknowledge that “Author name” is an employee of the U.S government and that therefore the copyright of the work belongs to the “U.S government”. This has been corrected in the updated version.

The updated version of these chapters can be found at
