**Retraction Note to:  
Chapter “New Algorithms for Solving RFMLrR  
Circulant Linear Systems in Information” in:  
Y. Yang, M. Ma, and B. Liu (Eds.):  
Information Computing and Applications, CCIS,  
DOI: [10.1007/978-3-642-53932-9\\_17](https://doi.org/10.1007/978-3-642-53932-9_17)**

The paper starting on page 169 of this publication has been retracted because it does not differ sufficiently from the paper starting on page 59 of the same publication. One of the authors is the same.
