

## D

- d:** Apparent Diameter • British Penny • Da • Date • Daughter • Day • Dead • Deceased • Deci • Decision • Decree • Deep • Degeneracy of Vibrational Mode • Degree • Delete • Deliver • Delivery • Delta • Dem • Denarius • Density • Depart • Depth • Deputy • Der • Desert • Dextro • Deuteron • Día • Dialect • Dialectal • Diameter • Died • Dime • Diminutif • Diminutive • Diminutivo • Dinar (currency) • Discharge • Distance • Distance Modulus • Dividend • Dollar • Dose • Down • Drachma (currency) • Droit • Droite • Lattice Plane Spacing • Pence • Penny • Relative Density • Thickness
- D:** Absorbed Dose • Da • Dag • Daily • Dalasi (currency) • Damen • Damping Constant • Darcy • Day • Debye-Waller Factor • December • Deck • Declination • Deep • Deliver • Delta (international alphabet) • Democrat • Democratic • Demy • Densité • Density • Department • Depression • Depth • Deputy • Destroyer • Detectivity • Deus • Deuterium • Deutschland • Devonian • Diameter • Diffusion Coefficient • Diffusive Transport • Digital • Dimension • Dimensional • Dinar (currency) • Dioptré • Director • Diretto • Discrete • Dispersion • Dissociation Energy • Distinguished • Divorced • Doctor • Dogana • Dom • Don • Dong (currency) • DOS • Dose • Douane • Double • Down • Drag • Droit • Droite • Drop Diameter • Dutch • Dynamic • Electric Displacement • Electric Flux Density • First Derivative • Five Hundred (Roman numeral) • Fractal Dimension • Germany (international aircraft registration code) • Germany (international vehicle registration code) • Germany (postal country code) • Linear Diameter • Mass Diffusion Coefficient • Mean Elongation • Optical Density • Route Départementale • Telescope Aperture • 500 (Roman numeral)
- d/a:** Days after Acceptance • Documents against Acceptance
- d-a:** Digital to Analog
- da:** Danish (ISO language code) • Déca • Deka
- d/A:** Documentos contra Aceptación
- Da:** Danish • Daughter • Day
- D/A:** Days after Acceptance • Decoder Activate • Delivery on Acceptance • Deposit Account • Digital to Analog • Documents against Acceptance • Documents for Acceptance
- DA:** Algerian Dinar (currency) • Dakota • Dartford (UK postal code) • Data Acquisition • Data Adapter • Data Analysis • Data Automation • Data Available • Decimal Add • Decimal-to-Analog • Decision Altitude • Decoder Activate • Deflection Amplifier • Delayed Action • Density Altitude • Département d'Astrophysique • Department of the Army • Deployed Assembly • Deployment Assembly • Deposit Account • Deputy Administrator • Deputy Assistant • Derecho Administrativo • Descent Advisor • Descriptor Area • Design Authorization • Design Automation • Desk Accessory • Destination Address • Destructive Analysis • Detector Assembly • Development Assistance • Dictionary of Americanisms • Differential Algebra • Dinar (currency) • Dip Angle • Direct Access • Direct Action • Direct Ascent • Direction of Administration • Directory Assistance • Discrete Address • Dissociative Attachment • Distribution Assembly • District Administrator • District Attorney • Divergence Angle • Docking Adapter • Documents against Acceptance • Documents Attached • Documents for Acceptance • Doesn't Answer • Dona • Don't Answer • Double Aisle • Double Amplitude • Drift Angle • Drive Actuator • Drive Assembly • Dummy Antenna • Dutch Antilles
- DAA:** Data Access Arrangement • Data Analysis Assistant • Data Analysis in Astronomy • Data Automation Activity • Decimal Adjust for Addition • Designated Approval Authority • Devon Astronomical Association (UK) • Digital Automatic Acquisition • Division Administrative Assistant • Fort Belvoir - Davison (USA-VA) (location identifier)
- DAAC:** Data Active Archive Center • Distributed Active Archive Center (\*) • Division des Archives Audiovisuelles et Cartographiques
- DAACS:** Dump Analysis And Consulting System
- DAAD:** Deutscher Akademischer Austauschdienst (Germany)
- DAAK:** Deutsch-Amerikanisches Akademisches Konzil
- DAAM:** Dynamic Associative Access Memory
- DAAS:** Data Acquisition and Analysis System • Department of Astronomy and Atmospheric Sciences
- DAAT:** Distributed Architecture Analysis Tool
- DAB:** Data Acquisition Bus • Data Announcement Bulletin • Daytona Beach (USA-FL) (location identifier) • Dictionary of American Biography • Diffuse And Bright • Diffusion Absorption Band • Digital Audio Broadcast • Digital Audio Broadcasting • Display Attention Bit • Distributeur Automatique de Billets • Docking And Berthing
- DABBLE:** Definitive Atmospheric Buoyant Boundary Layer Experiment
- DABRK:** Day Break
- DABS:** Discrete Address Beacon System
- DABU:** Data Bus Unit
- DAC:** Data Acquisition and Control • Data Acquisition Camera • Data Acquisition Chassis • Data Acquisition Computer • Data Acquisition and Control • Data Acquisition Controller • Data Analysis and Control • Data Analysis Center • Data Analysis Console • Data Analysis Control • Data Archiving Centre • Data Assembly Centre • Days After Contract • Deductible Average Clause • Delayed Action Command • Design Analysis Cycle • Design Augmented by Computer • Design Automation Conference • Dhaka (Bangladesh) (location identifier) • Diamond Anvil Cell • Digital-to-Analog Converter • Digital-to-Analytical Conversion • Digital-to-Audio Converter • Digital Arithmetic Center • Direct-Access Computing • Direct Air Cycle • Discrete Absorption Component • Discretionary Access Control • Display Analysis Console • Distance Amplitude Correction • District Access Coordinator • Document Availability Code
- DACA:** Division des Archives Cartographiques et Audiovisuelles
- DACB:** Data Acquisition and Control Buffer
- DACBU:** Data Acquisition and Control Buffer Unit • Digital Acquisition and Control Buffer Unit
- DACC:** Direct-Access Communications Channels
- DACCS:** Digital Access Cross Connect System
- DACD:** Digital Audio Compact Disk
- DACE:** Design and Analysis of Computer Experiments
- DACEMS:** Data Communications Equipment Monitoring and Switching
- DACG:** Discriminant Analysis with Constellation Graph
- DACI:** Direct Adjacent Channel Interference
- DACP:** Data Acquisition and Control Processor • Data Acquisition, Control, and Processing
- DACS:** Data Acquisition and Control System • Data and Analysis Center for Software • Dedicated Address Computation Stage • Digital Access Cross-connect Switch • Digital Access Cross-connect System • Digital Acquisition and Control System • Digital Auto-Correlation Spectroscopy • Directory Assistance Charging System • Discrete-Address

- Communication System • Divert and Attitude Control System
- DACST**: Department of Art, Culture, Science and Technology (South Africa)
- DACT**: Disposable Absorption Collection Trunk
- DAKU**: Data Acquisition and Control Unit • Digital-to-Analog Converter Unit
- D&AD**: Design & Art Direction
- DA&D**: Data Acquisition & Distribution
- DAD**: Da Nang (Viet Nam) (location identifier) • Data Access Diagram • Data Acquisition and Distribution • Data Acquisition Division • Deputy Assistant Director • Design and Art Direction • Design Approval Data • Desktop Application Director • Detector Array Development • Diode-Array Detector • Double Amplitude Displacement • Draft Addendum • Driveability Analysis Data • Dual Air Density • Due At Department
- DADA**: Distributed Astronomical Data Archive
- DADAS**: Directory Assistance Direct Access Service
- DADB**: Data Analysis Database
- DADC**: Digital Audio Disk Corporation
- DADE**: Data Acquisition and Decommutation Equipment • Data Acquisition and Documentation Equipment • Dual Air Density Explorer
- DADEE**: Dynamic Analog Differential Equation Equalizer
- DADP**: Devil's Advocate Decision Program
- DADS**: Data Acquisition and Distribution System • Data Archive and Distribution Service • Data Archive and Distribution System (\*) • Digital Assisted Database System • Document Availability and Distribution Service • Dual Air Density Satellite • Dynamic Analysis and Design of Systems • Dynamic Analysis and Design System
- DADSM**: Direct-Access Device Space Management • Direct-Access Device Space Manager
- DAdW**: Deutsche Akademie der Wissenschaften (Germany)
- DA&E**: Data Analysis & Evaluation
- DAE**: Daparizo (India) (location identifier) • Data Acquisition Equipment • Data Analysis and Evaluation • Data Automation Equipment • Department of Atomic Energy • Dictionary of American English • Differential Algebraic Equation (\*) • Differential and Algebraic Equation • Distributed Application Environment • Dump Analysis and Elimination • Dynamic Asian Economies
- DAEC**: Département d'Astrophysique Extragalactique et de Cosmologie (Observatoire de Paris-Meudon)
- DAEF**: Data Analysis and Evaluation Facility
- DAEMON**: Disk And Execution Monitor
- DAET**: Délégué Académique à l'Enseignement Technique (France)
- DAEU**: Diplôme d'Accès aux Études Universitaires
- DAF**: Data Acquisition Facility • Data Analysis Facility • Daup (Papua New Guinea) (location identifier) • Described As Follows • Discard At Failure • Dissolved Air Flotation • Document Absolute Frequency
- DAFC**: Digital Automatic Frequency Control
- DAFCO**: Délégation Académique à la Formation Continue (France)
- DAFI**: Documents And Forms Inventory
- DAFNE**: Double Annular Factory for Nice Experiments
- DAFT**: Data Acquisition Frequency Table • Digital-to-Analog Function Table
- dag**: Decagram
- DAG**: Barstow Daggett (USA-CA) (location identifier) • Daggett Barstow (USA-CA) (location identifier) • Development Assistance Group • Direct Acyclic Graph • Directed Acyclic Graph • Documentation Advisory Group
- DAGC**: Delayed Automatic Gain Control • Digital Automatic Gain Control
- DAGH**: Distributed Adaptive Grid Hierarchy
- DAGS**: Dartmouth Institute for Advanced Graduate Studies
- DAH**: Dathina (Yemen) (location identifier)
- DAHAP**: Digital Archive of Historical Astronomy Pictures
- DAHNI**: Demonstrator on the Access Hypermedia Non-visual Interface
- DAI**: Darjeeling (India) (location identifier) • Datastream Access Interface • Deferred Acceptance Item • Discrete-Activity Indicator • Dissertation Abstracts International • Distributed Artificial Intelligence
- DAIC**: Data Acquisition and Instrument Control
- DAID**: Data Applications and Interactive Display
- DAIM**: Data Analysis Information Memo • Dynamic Active Index Matrix
- DAIR**: Direct Altitude and Identity Readout • Driver Aid, Information and Routing • Dynamic Allocation Interface Routine
- DAIRS**: Dial Access Information Retrieval System • Distributed Aperture Infrared System
- DAIS**: Data Avionics Information System • Digital Airborne Imaging Spectrometer • Distributed Applications and Interoperable Systems • Distributed Automatic Intercept System • Document Analysis and Information System
- DAISY**: Data Acquisition and Interpretation System • Data Acquisition Integrated System
- DAIU**: Digital-to-Analog Interface Unit
- DAJ**: Dauan Island (Australia-QLD) (location identifier)
- Dak**: Dakota (USA)
- DAK**: Double-Adding KNMI
- dal**: Decaliter
- DAL**: Dallas - Fort Worth - Love (USA-TX) (location identifier) • Data Abstraction Layer • Data Access Language • Data Access Layer • Data Access Line • Data Accession List • Data Acquisition Language • Data Acquisition List • Data-Aided Loop • Data Analysis Laboratory • Data Analysis Language • Database Access Language • Dedicated Access Line • Disk Access Lockout • Distribution Authority List • Drawing Assembly List
- DALC**: Divided Access Line Circuit
- DALF**: Diplôme Approfondi de Langue Française
- DALGT**: Daylight
- DALI**: Dispositif d'Accès et de Lecture de l'Inventaire • Document And Library Integration
- DALO**: Disconnect At Lift-Off
- DALR**: Dry Adiabatic Lapse Rate
- DALS**: Data Acquisition Logging System
- DALY**: Disability-Adjusted Life Year
- dam**: Decameter
- DAM**: Damascus (Syria) (location identifier) • Data Access Method • Data Acquisition and Monitoring • Data Addressed Memory • Data Analysis Management • Data Association Message • Decameter • Decametric • Decametric Radiation • Definition, Analysis and Mechanization • Descriptor Attribute Matrix • Detection And Mapping • Deutsche Akademie für Metrologie (Germany) • Digitized Analog Magnetogram • Direct-Access Memory • Direct-Access Method • Distributed Associative Memory • Double Alumunized Mylar • Driver Amplifier Module • Dynamic Address Mapping
- DAMA**: Dark Matter (search) • Data Administration Management Association • Demand-Assigned Multiple Access • Demand Assignment Multiple Access

- DAMAp:** Département Atomes et Molécules en Astrophysique (Observatoire de Paris-Meudon)
- DAME:** Data Acquisition and Monitoring Equipment
- DAMI:** Designated Airworthiness Maintenance Inspection
- DAMMPS:** Damping And Metal Matrix for Precision Structure
- DAMOP:** Division of Atomic, Molecular and Optical Physics
- DAMOYR:** Day-Month-Year
- DAMPS:** Digital Advanced Mobile Phone Service
- DAMPT:** Department of Applied Mathematics and Theoretical Physics
- DAMR:** Dynamic Adaptive Mesh Refinement
- DAMS:** Direct-Access Management System
- DAMT:** Distributed Applications Monitor Tool
- DAMTP:** Department of Applied Mathematics and Theoretical Physics
- DAMUS:** Data Management and User Services
- Dan:** Danish
- DAN:** Danville (USA-VA) (location identifier) • Data Analyzer • Data Analysis Network • Deutsches Astronet (Germany) • Deutsches Astronomisches Netz (Germany)
- DANEOPS:** DLR - Archenhold Near-Earth Objects Pre-discovery Survey
- DANIDA:** Danish International Development Agency
- DANOF:** Département d'Astronomie Fondamentale (Observatoire de Paris-Meudon)
- DAO:** Data Access Objects • Data Acquisition Object • Data Assimilation Office • Defense Acquisition Organization • Department Administrative Order • Dessin Assisté par Ordinateur • Dial Assist Operator • District Advisory Officer • Documentation Assistée par Ordinateur • Dominion Astrophysical Observatory (Canada-BC) • Duly Authorized Officer
- DAOG:** Data Archive Operations Group
- DAOPHOT:** DAO Photometric Package
- DAP:** Daily Activity Plan • Darchula (Nepal) (location identifier) • Data Access Protocol • Data Acquisition and Processing • Data Acquisition Plan • Data Acquisition Platform • Data Acquisition Programme • Data Analysis Program • Data Associated Parameter • Data Automation Proposal • Delayed Alpha Particle • Demande d'Admission Préalable • Descent Analysis Program • Design Analysis Phase • Detail Assembly Panel • Developer Assistance Program • Diastolic Arterial Pressure • Differential Accelerometer Package • Digital Area Photometer • Digital Autopilot • Direct Access Program • Directed Audit Program • Direction de l'Administration et du Personnel • Director of Administrative Planning • Directory Access Protocol • Distributed Array Processor • Division Advisory Panel • Do All Possible • Do Anything Possible • Documents Against Payment • Donor-Acceptor Pair • Double-Amplitude Peak • Draw A Person • Dynamic Adaptive Modelling
- DAPAF:** Data Processing And Analysis Facility
- DAPF:** Data Analysis and Processing Facility
- DAPFS:** Direct-Ascent Powered-Flight Simulation
- DAPHNE:** Document Application Processing in a Heterogeneous Network Environment
- DAPN:** Directional Antenna Phasing Network
- DAPNIA:** Département d'Astrophysique, de Physique Nucléaire et d'Instrumentation Associée
- DAPP:** Data Acquisition and Processing Program
- DAppSc:** Doctor of Applied Science
- DAPS:** DCS Automated Processing System • Decommuration And Processing System • Direct-Access Programming System
- DAPU:** Data Acquisition and Processing Unit
- DAQ:** Data Acquisition
- DAR:** Daily Activity Report • Dar-Es-Salaam (Tanzania) (location identifier) • Data Access Register • Data Acquisition Rack • Data Acquisition Recorder • Data-Aided Receiver • Data Automation Requirement • Daughters of the American Revolution • Defense Acquisition Regulation • Designated Agency Representative • Designated Airworthiness Representative • Deutscher Akkreditierungsrat (Germany) • Deviation Approval Request • Deviation Authorization Request • Differentiation with Asymmetrical Reinforcement • Digital Audio Recording • Digital Autopilot Requirement • Direct Absorption Receiver • Direct-Access Recorder • Division of Atmospheric Research • Doppler Acoustic Radar • Drawing Analysis Record • Driver-Augmented Readout
- DARA:** Deutsche Agentur für Raumfahrtsangelegenheiten GmbH (Germany)
- DARAI:** Deutsche Arbeitsgemeinschaft für Raumfahrt und Astronomie Information (Germany)
- DARC:** Delayed-Action Radar Calibrator • Département d'Astrophysique Relativiste et de Cosmologie (Observatoire de Paris-Meudon) • Description-Acquisition-Restitution-Correlation • Direct Access Radar Channel • Direct Access Radar Control • Document Archive Controller
- DARD:** Data Acquisition Requirements Document
- DARDC:** Device for Automatic Remote Data Collection
- DARE:** Data Archival and Retrieval Enhancement • Data Automatic Reduction Equipment • Data Automation Research and Experimentation • Data Rescue • Demand And Resource Evaluation • Dictionary of American Regional English • Documentation Automated Retrieval Equipment • Drug Abuse Resistance Education
- DARHF:** Dual Axis Radiographic Hydrodynamic Facility
- DARI:** Database Application Remote Interface
- DARIS:** Diffusion et Accès Rapide à l'Information Scientifique
- DARM:** Data Acquisition Room
- DARMIS:** Data Requirements Management Information System
- DARMS:** Drifting Automatic Radiometeorological Station
- DARN:** Dual Auroral Radar Network
- DARO:** Defense Airborne Reconnaissance Office
- DARP:** Direct Access RTCS Pointer
- DARPA:** Defense Advanced Research Projects Agency (USA) (now ARPA)
- DARR:** Delft Atmospheric Research Radar (Netherlands)
- DARS:** Data Accumulating and Reporting Sheet • Data Acquisition Recording System • Data Acquisition and Reduction System • Decommuration And Readout System • Digital Adaptive Recording System • Digital Attitude Reference System • Digital Audio Radio Service
- DART:** Daily Automatic Rescheduling Technique • Data Analysis Recording Tape • Data Retrieval Tool • Decision-Aided Rescheduling Tool • Decomposed Ammonia Radioisotope Thruster • Deutsche Amateur-Radioastronomische Tagung (Germany) • Dexterous Anthropomorphic Robotic Testbed • Dial-A-Ride-Transportation • Directional Automatic Realignment of Trajectory • Director And Response Tester • Display for Advanced Research Technology • Dual Axis Rate Transducer • Dublin Area Rapid Transit (Ireland) • Dust Accumulation and Removal Tool
- DARTE:** Discrete Angle Radiative Transfer Equation
- DARTFire:** Diffusive and Radiative Transport in Fire
- DARTS:** Digital Automated Radar Tracking System • Digital Azimuth Range Tracking System • Dynamics Algorithms for Real-Time Simulation
- DARWIN:** Design Assessment of Rotors With Inspection

- DAS:** Dairo Air Services • Dakota Astronomical Society (USA-ND) • Data Access Security • Data Acquisition Station • Data Acquisition System • Data Analysis Software • Data Analysis Station • Data Analysis System • Data Assimilation System • Data Automation System • Dataset Attribute Structure • Decimal Adjust for Subtraction • Deflection Amplifier System • Delaware Astronomical Society (USA-DE) • Denver Astronomical Society (USA-CO) • Department of Administrative Services • Delivered Alongside Ship • Design, Analysis, and Simulation • Development Advisory Service • Dial Access System • Differential Absorption and Scattering • Digital Address System • Digital Analog Simulator • Digital Angiography Subtraction • Digital Autocorrelation Spectrometer • Digital Avionics System • Dipole Antenna System • Direct Access System • Directory Assistance System • Distributed Authentication Service • Distributor And Scanner • DME-based Azimuth System • Document Analysis System • Documentation Accountability Sheet • Doppler Acoustic Sounder • Double Algebraic Sum • Dual-Attached Station • Dual-Attach Station • Dual Attachment Station • Dundee Astronomical Society (UK-Scotland) • Dwingeloo Autocorrelation Spectrometer • Dynamically Assigned Socket
- DASA:** Deutsche Aerospace AG (now part of EADS) • Dual Aerospace Servo Amplifier • Dual Aerosurface Servo Amplifier
- DASC:** Deep Atmosphere Spectral Camera
- DASD:** Data Acquisition Support Document • Direct-Access Storage Device
- DASDL:** Data And Structure Definition Language
- DASE:** Differential Absorption and Scattered Energy • Differential Absorption and Scattering Equipment
- DASF:** Direct-Access Storage Facility
- DASGal:** Département d'Astronomie Stellaire et Galactique (Observatoire de Paris-Meudon)
- DASH:** Digital Audio-recorder with Stationary Head • Display And Sight Helmet • Distributed Analysis Software Hierarchy
- DASI:** Degree Angular Scale Interferometer • Digital All-Sky Imager • Digital Array Scanned Interferometer
- DASL:** Data Access System Language • Data Approximation Subroutine Library
- DA&SM:** Data Acquisition & Systems Maintenance
- DASM:** Data Acquisition System Manager
- DASO:** Demonstration And Shakedown Operations
- DASOC:** Disturbance Accommodation Standard-Deviation Optimal Controller (HST)
- DASOP:** Département d'Astronomie Solaire et Planétaire (Observatoire de Paris-Meudon)
- DASR:** Data Acquisition Statistical Recorder • Digital Airport Surveillance Radar
- DASS:** Data Analysis Support Staff • Data Archive and Science Support • Defensive Aids Subsystem • Direct Access Secondary Storage
- Dat:** Date • Datif • Dative • Dativo • Datum
- DAT:** Data • Data Acceptance Test • Data Acquisition Terminal • Data Acquisition Test • Datong (China-PRC) (location identifier) • Design Acceptance Test • Design Approval Test • Design, Assembly and Test • Desktop Analysis Tool • Detail Assembly Template • Digital Archival Tape • Digital Audio Tape • Direct-Ascent Threat • Disk Array Technology • Docking Alignment Target • Dummy Alias Table • Dynamic-Address Translation
- DATA:** Direct-Access Terminal Application • Distribution and Automation Technology Advancement
- DATACOM:** Data Communications
- DATAR:** Délégation à l'Aménagement du Territoire et à l'Action Régionale (France)
- DADTE:** Direction de l'Aménagement du Territoire et du Développement Économique (France)
- DATE:** Dynamics, Acoustics, and Thermal Environment
- DatF:** Deutsches Atomforum (Germany)
- DATIS:** Digital Airborne Topographic Imaging System
- DATOS:** Detection And Tracking Of Satellites
- DATP:** Detailed Acceptance Test Procedure
- DATPE:** Direction de l'Aménagement du Territoire et de la Protection de l'Environnement
- DATR:** Design Acceptance Test Report • Design Approval Test Report
- DATS:** Data Acquisition and Transmission System • Detail Acceptance Test Specification • Dynamic Accuracy Test Set • Dynamic Accuracy Test System
- DATTS:** Data Acquisition, Telecommand and Tracking Station • Data Acquisition, Tracking and Telecommand Station
- DATU:** Direct Access Testing Unit
- DATV:** Digitally-Assisted Television
- Dau:** Daughter
- DAU:** Daru (Papua New Guinea) (location identifier) • Data Acquisition Unit • Data Adapter Unit • Data Arithmetic Unit • Digital Adapter Unit • Document Administratif Unique • Dummster Anzunehmender User
- DAUF:** Degenhardt Amateur User Facility (USA-TN)
- DAV:** Data Above Voice • Data Available • Data Valid • David (Panama) (location identifier) • Deutscher Autorenverband (Germany) • Digital Audio/Video
- DAVE:** Do Anything Very Easily
- DAVIC:** Digital Audio Video Council • Digital Audiovisual Council
- DAVID:** Digital Audio/Video Interactive Decoder • Distributed Access View Integrated Database
- DAW:** Data Analysis Workshop • Deutsche Akademie der Wissenschaften (Germany) • Digital-Analog-Wandler • Dry Active Waste
- DAWG:** Data Acquisition Working Group
- DAWID:** Device for Automatic Word Identification and Discrimination
- DAWMS:** Deep Attack Weapons Mix Study
- DAWN:** Digital Automatic Weather Network
- DAX:** Daxian (China-PRC) (location identifier) • Deutsche Aktienindex
- DAY:** Dayton - James M. Cox (USA-OH) (location identifier)
- DAZ:** Darwaz (Afghanistan) (location identifier)
- DAZD:** Double Anode Zener Diode
- dB:** Decibel
- Db:** Dobra (currency)
- D/B:** Daybook • Decimal to Binary • Disk to Bulge • Docking/Berthing
- DB:** Dagelijks Bestuur • Daily Bulletin • Daimler-Benz • Dark Band • Databank • Database • Database Browser • Data Block • Data Buffer • Data Bus • Daybook • Deadband • Decibel • Delayed Broadcast • Design Baseline • Design Bureau • Detailed Balance • Deutsche Bibliothek (Germany) • Deutsche Bundesbahn (Germany) • Deutsche Bundesbank (Germany) • Diffusion-Bonded • Diffusion Bonding • Digital Block • Diode Bus • Direct Beam • Direct Broadcast • Dirty Beam • Disparition Brusque • Display Buffer • Disposition Board • Distribution Box • Document Base • Double Base • Double Bed • Double Biased • Double Break • Drifting Buoy • Dunkle Bänder • Dry Bulb • Dynamic Breaking
- d/b/a:** Doing Business As
- dBa:** Decibel Adjusted

- DBA:** Adjusted Decibel • Dalbandin (Pakistan) (location identifier) • Dassault Aviation Belgique (Belgium) • Database Accelerator • Database Access • Database Accessor • Database Administration • Database Administrator • Diode Box Assembly • Doctor of Business Administration • Doing Business As • Doppelbesteuerungsabkommen • Drum Buffer Assembly
- DBAAM:** Disk Buffer Area Access Method
- DBAC:** Database Administration Center
- DBAF:** Database Access Facility
- DBAM:** Database Access Method • Database Access Module
- DBAS:** Database Administration System
- DBAWG:** Database Administration Working Group
- DBB:** Dynamic Bass Boost
- DBC:** Database Computer • Data Buffer Coupler • Data Bus Control • Data Bus Coupler • Diameter Bolt Circle • Differential Box Counting • Digital-to-Binary Converter • Distributed Batch Controller
- DBCC:** Database Consistency Check
- DBCL:** Database Command Language
- DBCO:** Digital Block Clock Oscillator
- DBCP:** Drifting Buoy Cooperation Panel
- DBCR:** Database Change Request
- DBCS:** Double-Byte Character Set
- DBCUC:** Data Bus Control Unit
- DBd:** Disparition Brusque Dynamique
- DBD:** Database Description • Database Descriptor • Database Driver • Dead Band • Dhanbad (India) (location identifier) • Double-Base Diode • Double Beta Decay
- DBDA:** Database Design Aid
- DBDB:** Digital Bathymetric Database
- DBDD:** Database Design Document
- DBDF:** Data Block Definition File
- DBDL:** Database Definition Language
- DBDQ:** Distributed Queue Dual Bus
- DBDU:** Digital Bargraph Display Unit
- DBE:** Database Element • Data Bus Element • Data Bus Enable • Deep Basin Experiment • Design-Basis Event • Digital Based Exciter • Disadvantaged Business Enterprise
- DBEATS:** Dispatch Payable Both Ends All Time Saved
- DBELTS:** Dispatch Payable Both Ends on Lay Time Saved
- DBES:** Database and Expert System Program
- DBF:** Database File • dBase Format • Digital Beam Forming
- DBFF:** Digital Block Flip-Flop
- DBFN:** Data Base File Number • Data Bus File Number
- DBFW:** Digital Fly-By-Wire
- DBG:** Data Bus Group • Deutsche Bunsengesellschaft (Germany)
- DBGMP:** Data Bus Generation and Maintenance Package
- DBH:** Database Handler • Diameter at Breast Height
- DBHS:** Database Handling System
- DBI:** Database Interface • Data Bus Interface • Decomposition-Based Induction • Deutsches Bibliotheksinstitut (Germany) • Digital Bus Interface • Drag Balance Instrument
- DBIA:** Data Bus Interface Adapter • Data Bus Isolation Amplifier • Digital Block Inverter Amplifier
- DBIF:** Database Interface
- DBIL:** Database Input Language
- DBIMA:** Database of Images
- DBIN:** Description Bibliographique Internationale Normalisée
- DBIO:** Database Input/Output
- DBIU:** Data Bus Interface Unit
- Dbk:** Drawback
- DBK:** Database Kernel • Dominant Battlespace Knowledge
- Dbl:** Double
- DBL:** Damage Before Launch • Database Language • Database List • Database Load
- Dblr:** Doubler
- dBm:** Decibels above one Milliwatt
- D/BM:** Docking/Berthing Mechanism
- DBM:** Database Management • Database Manager • Data Buffer Memory • Data Bus Monitor • Debra Marcos (Ethiopia) (location identifier) • Decibel Meter • Décision Budgétaire Modificative • Detailed Balancing Model • Diploma in Business Management • Docking Berthing Mechanism
- DBME:** Database Management Environment
- DBMIST:** Direction des Bibliothèques, des Musées et de l'Information Scientifique et Technique (France)
- DBML:** Database Management Language • Diabetic Meal
- DBMS:** Database Management Software • Database Management System
- DBMV:** Digital Block Multivibrator
- Dbn:** Durban (South Africa)
- DBN:** Data Bus Network • Design By Numbers • Dublin (USA-GA) (location identifier)
- DBO:** Dual Beam Oscilloscope • Dubbo (Australia-NSW) (location identifier)
- DBOMP:** Database Organization and Maintenance Processor
- DBOS:** Disk-Based Operating System
- dBp:** Decibels above one Picowatt
- DBP:** Debepare (Papua New Guinea) (location identifier) • Design Baseline Program • Deutsche Bundespost (Germany) • Division of Biological Physics
- DBPC:** Database Processing Center
- DBPL:** Database Programming Language
- DBpSM:** Decibels per Square Meter
- DBPSM:** Decibels Per Square Meter
- DBQ:** Database Query • Dubuque (USA-IA) (location identifier)
- DBR:** Database Retrieval • Development Baseline Review • Distributed Bragg Reflector • DOS Boot Record
- DBRAD:** Database Relational Application Directory
- DBRC:** Database Recover Control
- DBRD:** Dépense Brute de Recherche et de Développement
- Dbre:** Diciembre
- DBRITE:** Digital Bright Radar Indicator Tower Equipment
- dB RN:** Decibels above Reference Noise
- DBRN:** Databank Release Notice
- DBRTD:** Double Barrier Resonance Tunnelling Diode
- DBS:** Database Server • Database Specification • Database Storage • Database System • Data Bus Simulator • Définition des Besoins du Système • Demand Broadcast System • Dibromostyrene • Diffraction Back-Scattering • Digital Book System • Digital Broadcasting by Satellite • Direct-Broadcasting Satellite • Direct-Broadcasting Service • Direct-Broadcast Satellite • Direct-Broadcast Service • Direct-Broadcast System • Docking Berthing System • Doppler Beam Swinging • Double-Beam Spectrophotometer • Dubois (USA-ID) (location identifier) • Duplex Bus Selector
- DBSA:** Database and System Administration
- DBSC:** Digital Block Slave Clock

- DBSCAN:** Density-Based Spatial Clustering of Applications with Noise
- DBSM:** Decibels per Square Meter
- DBST:** Digital Block Schmitt Trigger • Double British Summer Time
- DBt:** Disparition Brusque Thermale
- DBT:** Debra Tabor (Ethiopia) (location identifier) • Design Built Team • Deutsche Bundespost Telekom (Germany) • Disparition Brusque Thermale • Double-Base Transistor • Dual-Buffer Tritation • Dynamique et Bilan de la Terre
- DBTF:** Database Task Force
- DBTG:** Database Task Group
- dBu:** Decibel Unit
- DBU:** Data Bus Unit • Deutsche Bundesstiftung Umwelt (Germany) • Digital Bus Unit • Disk Buffer Utilization
- DBUR:** Databank Update Request
- DBUT:** Database Update Time
- dBV:** Decibels above one Volt • Deutscher Bibliothekverbund (Germany) • Dubrovnik Cilipi (Croatia) (location identifier)
- DBV:** Database Variable
- dBW:** Decibel reference to one Watt
- DBW:** Data Bus Wire • Design Bandwidth • Differential Ballistic Wind
- DBWA:** Design By Walking Around
- DBWR:** Database Writer
- DBY:** Dalby (Australia-QLD) (location identifier)
- dC:** Después de Cristo • dopo Cristo • Dwarf Carbon
- D&C:** Display & Console • Display & Control • Distribution & Control
- D/C:** Displays/Controls • Down-Converter
- DC:** Da Capo • Dairy Cattle • Data Camera • Data Cell • Data Center • Data Channel • Data Check • Data Code • Data Collection • Data Communication • Data Concentrator • Data Control • Data Conversion • Data Coordinator • Dead Center • Dearborn Catalogue • Death Certificate • Decimal Classification • Decimal Currency • Decreto • Default Colour • Define Constant • Definitive Contract • Degré de Condensation • Degree of Condensation • Delete Character • Delta Clipper • Deputy Chief • Deputy Commissioner • Deputy Consul • Deputy Counsel • Derecho Civil • Design Change • Design Contractor • Detector Controller • Developed Country • Developing Country • Development Center • Development Characteristic • Development Cost • Device Control • Device Coordinates • Diagnostic Centre • Dialogue Controller • Dictionary of Canadianisms • Dienstcommissie • Differential Calculus • Differential Correction • Digital Clock • Digital Code • Digital Comparator • Digital Computer • Diners Club • Diplomatic Corps • Direct Command • Direct Current • Direct Cycle • Directional Control • Display and Console • Display and Control • Display Computer • Display Console • Display Coupler • Displays/Controls • Disque Compact • Dissimilarity Coefficient • District Chief • District Commissioner • District Council • District of Columbia (USA) • Division Chief • Double Column • Double Compact • Double Contact • Double Coronagraph • Drift Chamber • Drift Correction • Dry Chemical
- DC&A:** Data Collection & Analysis
- DCA:** Data Capture Agent • Data Correction Amplifier • Debit-Credit Account • Defense Communications Agency (USA) • Deflection Coil Amplifier • Department of Civil Aviation • Design Change Authorization • Detailed Configuration Accounting • Detector Control Assembly • Detrended Correspondence Analysis • Digital Command Assembly • Digital Communications Associates Inc. (USA-GA) • Direct-Current Amplifier • Distributed Communication Architecture • Distribution Control Assembly • Document Content Architecture • Double Conversion Adapter • Double Coulomb Approximation • Double Cyclotron Absorption • Drift Correction Angle • Droplet Combustion Apparatus • Ronald Reagan Washington National (USA-DC) (location identifier)
- DCAA:** Defense Contracting Audit Agency (USA) • Dual Automatic Answer Device
- DCAC:** Defense Communication Agency Circular • Define and Control Airplane Configuration
- DCAF:** Distributed Console Access Facility
- DCAI:** Direct-Current Analog Input
- DCAJ:** Direction des Contrats et des Affaires Juridiques
- DCAM:** Data Communications Access Method • Department of Civil Aviation and Meteorology (Qatar)
- DCAMP:** Data Center for Atomic and Molecular Ionization Processes
- DCAO:** Digital Card And-Or Gate
- DCAP:** Data Capture And Presentation • Dynamic Controls and Analysis Package
- DCAR:** Danish Centre for Atmospheric Research • Design Corrective Action Report • Discrepancy and Corrective Action Report
- DCARS:** Data Collection And Reduction System
- DCAS:** Data Collection and Analysis System • Defense Contract Administration Service
- DCASMA:** Defense Contract Administration Service Management Area
- DCASR:** Defense Contract Administration Service Region
- DCASS:** Digital Cartographic Software System
- DCAT:** Developmental Comparative Active Telescope
- DCATT:** Data Certification And Technology Transfer
- DCB:** Damage Control Book • Data Control Block • Data Control Board • Device Control Block • Design Change Board • Design Control Board • Digital Continuum Backend • Disk Coprocessor Board • Drawing Configuration Baseline
- DCBS:** Doubly-Compressed Bit Slices
- DCC:** DAQ and Control Computer • Data Collection Center • Data Communications Channel • Data Compression Conference • Data Computation Complex • Data Condition Code • Data Country Code • Dedicated Control Centre • Descriptive Cataloging Committee • Design Change Control • Design Concept Change • Development Control Center • Digital Command Control • Digital Communications and Control • Digital Compact Cassette • Digital Control Computer • Direct Cable Connection • Discrete Cell Control • Discrimination and Control Computer • Display Channel Complex • Display Combination Code • Display Computer Control • Display Control Console • Distributed Call Center • Distribution Control Center • Documentation Coordinating Committee • Document Control Center
- DCCF:** Distance Classifier Correlation Filter
- DCCH:** Digital Control Channel
- DCCO:** Defense Commercial Communications Office • Digital Card Clock Oscillator
- DCCP:** Design Change Control Program • Digital Computer Control Panel • Distributed Call Control Protocol
- DCCR:** Display Channel Complex Rehost
- DCCS:** Digital Camera Control System • Digital Command Communications System • Digital Comparator Correlator System • Discontiguous Shared Segments
- DCCU:** Data Communications Control Unit • Data Correlation Control Unit • Decommutator Conditioning Unit • Digital Cluster Control Unit • Digital Command and Control Unit • Digital Communications and Control Unit
- Dcd:** Decode

- DCD:** Data Carrier Detect • Data Compression Device • Decimal Classification Division • Deflection Coil Drive • Design Change Document • Design Control Document • Differential Current Density • Dimensional Control Drawing • Diode-Capacitor-Diode • Double Channel Duplex • Double-Crystal Diffraction • Drain-Current Drift • Dual Command Decoder
- DCDB:** Digital Cadastral Database • Digital Cartographic Database
- DCDD:** Design Characteristics Definition Document
- DCDG:** Diode-Capacitor-Diode Gate
- DCDL:** Digital Control Design Language
- DCDOS:** Deputy Chief Data and Operations Scientist
- Dcdr:** Decoder
- DCDS:** Digital Cartographic Data Standard • Digital Countdown Display System • Distributed Computing Design System
- DCDSTF:** Digital Cartographic Data Standards Task Force
- DCE:** Data and Control Electronics • Data Circuit-terminating Equipment • Data Circuit-termination Equipment • Data Collection Event • Data Communications Equipment • Data Compression Equipment • Data Conversion Equipment • Department of Conservation and Environment • Deployable Cargo Element • Deployment Control Electronics • Despin Control Electronics • Detector Control Electronics • Digital Communication Experiment • Diploma in Chemical Engineering • Distributed Computer Environment • Distributed Computing Environment (\*) • Distributed Computing Equipment • Doctor of Civil Engineering • Domestic Credit Expansion • Drive Control Equipment • Droplet Combustion Experiment
- DCEA:** Digital Control Electronics Assembly
- DCED:** Département de la Coordination, de l'Exploitation et du Développement
