

## Erratum to: Interpretation of Urodynamic Studies

Seung-June Oh

### Erratum to:

S.-J. Oh, Interpretation of Urodynamic Studies

<https://doi.org/10.1007/978-981-10-2284-5>

We received the following post-publication changes:

1. The term “/Abnormal” included after “/Bladder pain” in the second row of table “Urodynamic Conclusion” in page 102. This apply to all tables in page 346, 354, 360, 369, 375, 387, 397, 407, 417, 426, 437, 446, 456, 468, 479, 486, 499, 510, 516, 526, 537, 546, 556, 567, 578, 589, 598, 609, 619, 632, 646, 658, 666, 679, 691, 702, 712, 720, 731, 741, 752, 764, 772, 784, 796, 808, 818, 829, 841.
2. The word “Terminal” and “of” were deleted in the second and fourth lines, respectively, in the bulleted list in page 619.
3. In page 646, corrected “Normal” as bold & underline and “Bladder oversensitivity” removed bold & underline, under Bladder sensation in the table “11.4.10. Urodynamic Conclusion”.
4. The word “with low ALPP” was deleted in the third line in the bulleted list in page 646.
5. In page 741, the order of bullet list was changed.
6. In page 741, included “with low ALPP” after bladder neck in the bulleted list.
7. In page 784, removed bold & underline for the word “Normal” under Urethral function in the table “12.1.10 Urodynamic Conclusion”.
8. In page 808, removed bold & underline for “Normal” and updated bold & underline for “Low” under Bladder compliance in the table “12.3.10 Urodynamic Conclusion”.
9. In page 808, included “Low marginal bladder compliance” in the bulleted list.
