

Corrigenda

Volume 85, Number 3 (1985), pp 285–292

D. J. W. Moriarty, P. C. Pollard and W. G. Hunt: Temporal and spatial variation in bacterial production in the water column over a coral reef

p. 289: First line of first paragraph should read:

“The values for doubling times in Fig. 4 are averages for . . .”
(i.e., not in Fig. 5).

p. 289: Legend to Fig. 5; First line:

“doubling times” should read “production”.

p. 290: Table 4: The “Production” values in Lines 3, 5 and 8 of the table are incorrect. Lines 1–9 should be as follows:

Reef flat (Site B)	Summer	56	0.9 –5.7	} Present study
Reef flat (Site D)	Summer	28	0.3 –3.1	
Reef flat (Site D)	Winter	4	0.12–0.48	
Reef front (Site E)	Summer	26	0.3 –2.1	
Reef front (Site E)	Winter	5	0.06–0.48	
Lagoon water (Site K)	Summer	18	0.9 –3.0	
Open water (Site F)	Summer	11	0.1 –0.7	
Open water (Site F)	Winter	3	0.03–0.24	
<i>Thalassia hemprichii</i> bed (Site M)	Winter	58	1.6 –4.3	

Subscribers are requested to cut out the above lines and paste them over the original relevant lines in the journal.

Volume 86, Number 2 (1985): Title page

Three words were omitted from the first entry in the right-hand column of the title page. It should read as follows:

A. Jarzębski, S. Popov
Comparison of sterol composition of some
Baltic Sea and Black Sea mussels
