## Erratum to: Management of pelvic discontinuity in revision hip arthroplasty using a cementless acetabular cup with an iliac stem in combination with a cranial strap

**Erratum to:**

**Orthopäde 2018**

<https://doi.org/10.1007/s00132-018-03675-5>

Dear Reader,

in the original online version of the article “Management of pelvic discontinuity in revision hip arthroplasty using a cementless acetabular cup with an iliac stem in combination with a cranial strap” in the section “Material and methods” a wrong vote number of the audit authority was accidentally given.

The correct vote number of the audit authority is: 366/16-ek. The original article was updated.

We apologize for the mistake.
