

## FROM THE INSIDE

# A clinician's remorse

Alarms blare,  
Lights glare  
Machines bleep,  
The child, asleep.  
Tubed and wired,  
Drugged and tired  
Beneath the sheets,  
A heart beats!  
Charts to fill,  
Labs to chase  
What a daze,  
This number maze!  
Lactates jump,  
Bicarb we pump  
Bugs in lumps,  
Having goosebumps!  
'Teico' and 'mero'  
Our pet hero!  
So much 'vanc'  
I am blank  
What's left? Colistin?  
Then bring it in!  
Poor kid!  
Caught in a grid,  
What was the history?  
Oh that's the mystery!  
Generations apart,  
With gadgets smart  
As senses wane,  
Lost is the art!  
Where do we go?  
We blind sheep  
What we sow,  
So shall we reap!
