The original version of this article unfortunately contains an error in Appendix A.

The third line contains the error, and the correct sentence is given below.

“Obviously, if X is Fréchet (β, ν) , then αX is Fréchet $(\beta, \alpha\nu)$ for $\alpha > 0$.”

The original article has been corrected.

The original article can be found online at <https://doi.org/10.1007/s00168-018-0883-4>.
