Publisher Correction to: Analytical and Bioanalytical Chemistry
<https://doi.org/10.1007/s00216-021-03271-1>

Unfortunately, during production the typesetter mistakenly uploaded the wrong file as the graphical abstract figure with black unreadable background color. Therefore, the original version has been corrected.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The online version of the original article can be found at <https://doi.org/10.1007/s00216-021-03271-1>
