Erratum to: Mar Biol (2016) 163:75
DOI 10.1007/s00227-016-2841-y

Unfortunately, the second research question was incorrectly published in the “Introduction” and “Results” sections of the original article. The correct question is given below.

Do female and male Australasian gannets target different prey combinations?

The online version of the original article can be found under doi:[10.1007/s00227-016-2841-y](https://doi.org/10.1007/s00227-016-2841-y).
