The bacterial nomenclature used in the original submitted and published version of this article should be revised. The name *Nitropelagi marinus* was changed to *Nitropelagius marinus* with this erratum.

The article title should be “*Nitropelagius marinus* gen. nov., sp. nov., Isolated From Seawater, Je-bu island, South Korea”.

The corrected sentence in the “Abstract” section should be, “Based on physiological and chemotaxonomic characteristics, strain JB22^T should be regarded as a new genus of the family *Rhodobacteraceae*, for which the name *Nitropelagius marinus* gen. nov., sp. nov. is proposed”.

The corrected sentence in the “Introduction” section should be “identified as a novel genus of the family *Rhodobacteraceae*, for which the *Nitropelagius marinus* gen. nov., sp. nov. is proposed”.

In Fig. 1, the species name should be “*Nitropelagius marinus* JB22^T KP878554”.

The corrected sentence in the “Taxonomic Conclusion” section should be “On the basis of polyphasic taxonomic analysis, strain JB22^T is considered to represent a novel genus, for which the name *Nitropelagius marinus* gen. nov., sp. nov. is proposed”.

On page 357, the heading “Description of *Nitropelagi* gen. nov.” should be read as “Description of *Nitropelagius* gen. nov.” and the first sentence of this section should be read as “*Nitropelagius* (*Ni.tro.pe.la’gi.us*. N.L. pref. *nitro*-pertaining to nitrate; L. neut. n. *pelagus* the sea; N.L. masc. n. *Nitropelagius* a nitrate-reducing organism from the sea)”.

The heading “Description of *N. marinus* sp. nov.” should be read as “Description of *Nitropelagius marinus* sp. nov.” and the sentence “*Nitropelagius marinus* (*ma.ri’nus*. L. masc. adj. *marinus* marine).” should be added as first sentence of this section.

The original article can be found online at <https://doi.org/10.1007/s00284-016-1069-x>.
