Dear readers,

Unfortunately the addition (revised paper (2)) was published in the title of this article.

This addition was not deleted by mistake during the typesetting process. The correct title of the article should therefore read as follows:

New surface microstructure of mono-si wafer textured using wet chemical solutions for solar cell

We apologize for this error.

The original article has been corrected.

The original article can be found online at <https://doi.org/10.1007/s00339-019-2565-1>.
