The manuscript number should not have been included in the title, the correct title reads “Carbon and oxygen isotopes in tree rings: climate signals and microsite effects”.

This “Editors’ Highlight” contribution addresses the article by Esper et al. (2018), which was wrongly cited throughout the article. The correct reference for this article is:

Esper J, Holzkämper S, Büntgen U et al (2018) Trees 32:855–869. <https://doi.org/10.1007/s00468-018-1678-z>.
