Correction to: Emergency Radiology (2019) 26:485–492
<https://doi.org/10.1007/s10140-019-01690-3>

The original source of the flowchart in Fig. 3 has not been referenced and acknowledged correctly in the original article. This is now corrected.

The Figure is reproduced in part from the RECOMMENDATIONS for the MEDICAL/RADIOGRAPHIC EVALUATION of ACUTE ADULT, NON-FATAL STRANGULATION prepared by Bill Smock and Sally Sturgeon [1].

The authors gratefully acknowledge Alliance for HOPE International for allowing us to reproduce, in part, the RECOMMENDATIONS for the MEDICAL/RADIOGRAPHIC EVALUATION of ACUTE ADULT, NON-FATAL STRANGULATION.

Compliance with ethical standards

Conflict of interest The authors declare that they have no conflict of interest.
