The original article has been corrected.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original version of this article unfortunately contained a mistake. Title was incorrect.

The corrected title is given below.

Accelerated quantification of tissue sodium concentration in skeletal muscle tissue: quantitative capability of dictionary learning compressed sensing.

The original article can be found online at <https://doi.org/10.1007/s10334-019-00819-2>.
