Erratum to: Biol Invasions
DOI 10.1007/s10530-009-9438-z

In the original publication under the Methods section, the last line of the first paragraph for the subheading “Statistical analyses” currently reads “ $P > .05$ and $<.75$ ” was incorrect.

The correct data is “ $P > .05$ and $<.075$ ”.

The online version of the original article can be found under doi:[10.1007/s10530-009-9438-z](https://doi.org/10.1007/s10530-009-9438-z).
