

Erratum

The Publisher apologizes for an error that occurred in *Investigational New Drugs*, Volume 23, No. 1. The paper “Phase I Study of Tomudex and Doxorubicin in Patients with Locally Advanced, Inoperable or Metastatic Cancer (IND.98)” by G. A. Bjarnason et al., should have included Dr. Eric Winquist, London Health Sciences Centre, London, Ontario, Canada, who made a significant contribution to the study.
