

Acknowledgement of Reviewers 2016

Published online: 14 January 2017
© Springer Science+Business Media New York 2017

The Editor, Eric Rowinsky, and the Associate Editors would like to acknowledge the valuable contributions of the reviewers to the journal. We fully understand the burden and effort that are involved in the reviews and are very grateful for your support. We rely on your expertise to maintain the standards of excellent science for the journal, *Investigational New Drugs*.
