The authors have retracted this article [1] because data shown in Figures 1-4 duplicate data in Figures 1, 2, 5, 6 and 8 in a previously published article by a different author group [2]. Yu Sun, Zhen Tian and Sui-Hui Li agree with this retraction. Xue-Feng Jiang and Shuang-Xi Zhu have not responded to correspondence from the editor or publisher about this retraction.

The online version of this article contains the full text of the retracted article as electronic supplementary material.
