RETRACTION NOTE

Retraction Note: Impact of the learning set's size

Adil Korchi[1] · Mohamed Dardor[2] · El Houssine Mabrouk[3]

Retraction note to Education and Information Technologies (2020) 25:4637–4657
https://doi.org/10.1007/s10639-020-10165-9

The Editor-in-Chief has retracted this article (Korchi et al. 2020) because it significantly overlaps with a previously published paper by Salperwyck & Lemaire (Salperwyck et al. 2011).

Adil Korchi disagrees with the retraction but has not explicitly stated whether he agrees to this retraction notice. The other authors did not respond to correspondence regarding this retraction.
