Erratum to: Environ Dev Sustain DOI 10.1007/s10668-015-9639-9

Dr. Evangelos Manolas' name was inadvertently missed in the Editorial article which has been corrected in this erratum.

Unfortunately, two article titles in the editorial are mentioned as they had been submitted during the review stage. The correct accepted article titles, as they should have been mentioned in the editorial article, are provided below:

Instead of “Five Features for Enabling Sustainability in Higher Education in the UN Decade on Education for Sustainable Development” the title should be “UN decade on education for sustainable development (UNDESD): enabling sustainability in higher education”.

Instead of “Transforming higher education to support sustainability science for a resilient future: the influence of institutional administrative organization” the title should be “Transforming US higher education to support sustainability science for a resilient future: the influence of institutional administrative organization”.
