### Correction to: Gen Relativ Gravit (2018) 50:1 <https://doi.org/10.1007/s10714-017-2322-8>

Unfortunately, there are typos in Eqs. (20) and (22), as well as in the line following Eq. (27). The results and conclusions were not affected. The correct equations are

$$(\rho_i \vartheta_i)' + 4\mathcal{H}\rho_i \vartheta_i - \rho_i k^2 \Phi = -a Q_i \vartheta_i, \quad (20)$$

$$\vartheta_i' + \mathcal{H}\vartheta_i = k^2 \Phi. \quad (22)$$

In the line following Eq. (27), the correct sentence is: “If we now take  $Q_i/\rho_i = -\Gamma \dots$ ”.

---

The original article can be found online at <https://doi.org/10.1007/s10714-017-2322-8>.
