The original version of this article unfortunately contained mistakes in Methods and Acknowledgements sections. The changes are shown below:

1. Under "Methods", "Study site and subjects" section, the sentence "Based on the survey, we identified 28–43 individuals, including 4–8 males, 5–8 females, 5–11 subadults, 5–13 juveniles, and 0–4 infants." should be changed to "Based on the survey, we identified 28–**44** individuals, including 4–8 males, 5–8 females, 5–11 subadults, 5–13 juveniles, and 0–4 infants."
2. Under "Acknowledgements" section, the sentence "We thank Parth R. Chauhan for his guidance and support during the study and article preparation." should be changed to "**We thank Parth R. Chauhan and Manjari Jain for their guidance and support during the study and article preparation.**"

The authors apologize for these mistakes.
