The authors have retracted this article <https://doi.org/10.1007/s10787-019-00610-8> because, since publication, it has become apparent that there are major errors in the qRT-PCR data presented in Figures 1 and 7. Sarder Arifuzzaman agrees to this retraction / Mst Reshma Khatun has not

responded to any correspondence from the editor/publisher about this retraction [1].
