**Erratum to: J Abnorm Child Psychol (2016) 44:1023–1032**  
**DOI 10.1007/s10802-015-0095-7**

There was a typographical error in Fig. 2 (page 1028). The coefficient for the path between ADHD symptoms and CBCL Social Problems should be listed as 0.32. The corrected figure is as shown below.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s10802-015-0095-7>
