The original version of this article unfortunately contained mistakes. Please see below necessary corrections:

1) In the Introduction section (2nd page, 3rd paragraph) that refers to the distribution of *Macrocystis pyrifera*, this should be:

"In Chile, *M. pyrifera* is distributed from Arica to Cabo de Hornos and the Diego Ramirez Islands (Rozzi et al. 2017)"

and not

"In Chile, *M. pyrifera* is distributed from Valparaíso to Cabo de Hornos and the Diego Ramirez Islands (Rozzi et al. 2017)".

2) In TABLE 1, the value of salinity in summer for Skyring Sound is incorrect. The corrected Table 1 is now shown here:

Table 1 Measurements of environmental parameters at the time and site of collection of *Macrocystis pyrifera*

Locality	Season	Temperature (°C)	Salinity (psu)
Skyring Sound	Summer	9.79 ± 0.02	22.65 ± 0.04
	Winter	4.71 ± 0.01	17.32 ± 0.58
Otway Sound	Summer	8.89 ± 0.08	26.24 ± 0.05
	Winter	5.02 ± 0.01	30.12 ± 0.77
